About Bella Mae's Tea Co.

Bella Mae's Tea Co. is named after the maternal and paternal grandmothers of the owner, Karen L. Russell. Karen developed an appreciation for tea at an early age thanks in large part to her beloved grannies, Ms. Mae and Ms. Belle. Years passed, but Karen never lost her love for tea. She decided to create 'sips of nostalgia' with her line of unique herbal and tea blends. In 2020, Bella Mae's Tea Co. was born.

Crafted from the heart, Bella Mae's Tea Co. focuses on serving up good memories and smiles with every sip. Using herbs, flowers, fruits, spices, and loose-leaf tea, Karen is determined to channel her grandmothers and provide a moment of comfort to tea lovers and tea novices. Each blend is perfectly handcrafted and has its own story that is inspired by people, culture, and experiences. Bella Mae's is rooted in the simple sentiment; it's a sip of nostalgia.
